- Keep your phone number.
- Stay in the phone book.
- No activation fees.
- No binding contracts.

Who is Cavalier Telephone?

Started in 1998, Cavalier Telephone began with the mission of bringing customers a choice in local telephone service.

Cavalier invested over \$215 million building our own state-of-the-art network throughout the mid-Atlantic. You get significant savings because we don't have the huge overhead of the incumbent telephone company.

Month

Talk More. Surf more. Spend Less!

*5¢ Long distance for 50 US States, territories and Canada. Standard taxes and fees not included in quoted rates. \$9.95 introductory DSL rate valid for 3 months with 12 month commitment. DSL rate after three months will be normal low rate of \$25 per month. DSL is not available for all households, requires Cavalier Telephone service and a Cavalier supplied DSL modem (\$9.95 shipping fee). Actual DSL connection speeds are not guaranteed and depend upon distance from CO, line quality and other factors.
